

## **2009 N.C. Emergency Vehicle Driver Operator Class**

The Forsyth County Fire and Rescue Association will be sponsoring a N.C. Emergency Vehicle Driver Class (*EVD*). This class will cover past and potential problems which have resulted in Emergency Vehicle Accidents. With the continuing increase in call volumes and urbanization we are subjecting ourselves to additional opportunities for accidents. This class will provide the Emergency Driver with N.C. laws and information to help keep everyone safe responding to and returning from incidents so everyone returns home.

The class is also a stand alone certification with credit towards N.C. Driver Operator certification.

Class information is listed below; pre-registration is required by contacting James Griffin at 703-2564 or email at [griffijm@forsyth.cc](mailto:griffijm@forsyth.cc)

**July 13, 15, 20 1800-2200 @ Station 9  
(Saturday) July 18 0800-1700 Location TBA**
