

N.C. Driver Operator Hydraulics

The Forsyth County Fire and Rescue Association will be hosting the complete N.C. Driver Operator certification curriculum. There will be one subject per month offered from March to September. The sixth class towards this certification is the hydraulics class (*17 hours*). Dates and times are listed below; for any questions and to pre-register contact James Griffin at 703-2564 or at griffijm@forsyth.cc.

To view the remainder N.C. Driver Operator class schedule go to www.forsythcountyfire-rescue.com and click on the Training Committee & Calendar tab.
